# INSTRUCTIONS

Ignite Imaginations advise that this activity should be carried out under the supervision of an adult.  
When cutting, always make sure you ask an adult to help.

- 1 All the pieces for the bat box are in the thin paper bag inside the Creativity Pack.
- 2 Take the 10 pieces that look a little bit like lollipop sticks and then take one of the pieces with 10 holes cut out vertically. Push each stick into one of these holes.
- 3 Repeat on the other side of the lollipop sticks with the other piece which has 10 holes cut out vertically. Make sure the two pieces that have 10 holes in are mirror imaging each other.
- 4 Now time to put the front on. Take the piece with 3 tabs sticking out. Push the 2 tabs on the sides into the slits on either side of your bat box.
- 5 Now take the largest piece which has a small hole in it. Thread the string through this hole and tie. This piece is the back, so turn your bat box around and push the tabs into the four slits of the back piece.
- 6 Take the last piece which is going to be the lid. Push the slits of this piece onto the tabs on the top of the bat box.
- 7 Now use your pencil to draw a design that is special to you, then paint it and leave it to dry.
- 8 Once dry hang up outside. Enjoy!
