INSTRUCTIONS

- 1** In this creativity pack you will find enough materials to make two coasters and one hanging decoration. We will start with instructions for a coaster.
- 2** Take one of the coasters and using nature as your inspiration, draw your design onto the coaster.
- 3** Now time to paint this image. Choose the colours that will brighten the space you will use the coaster in. Take the paper cup and fill with water. Use this to clean your paintbrush when changing paint colour.
- 4** Repeat this process with your other coaster. You could do a similar design to make a set of coasters or do two completely different designs.
- 5** Repeat again with your hanging decoration. The hanging decoration is the coaster with the small hole in it.
- 6** Thread the piece of string through this hole and tie. Well done. Your creations are complete.
